

PERSONAL STORAGE TOWERS

This customized tower maximizes required storage for each and everyone of us. It provides the needed security our personal and office items require on a daily basis.

Locker and wardrobe doors are hinged on same side and open away from the worksurface for easier access (can be hinged either left or right). The filing section can be specified with two or three full size files drawers. The top opening can be two box drawers or a full size file drawer. All ball bearing drawer suspensions.
